\*Offer applicable on 5kg

\*There was significant reduction in HbA1c compared to baseline and control at 4th month when you used along with lifestyle intervention. The term "manage" based on ADA recommendation of less stringent A1C goals. Consult your physician before making changes to your diet. Mohan V et al. J. Assoc. Phys. Ind. 2019;67(12): 25-30
